

REMARKS

Amendments to claims

Claims 1-13 were originally filed in the above-identified patent application. Applicants herein request cancellation of claims 1-13, without prejudice or disclaimer.

Newly presented claims 14-24 are directed to a method of making an enantiomer of various quinazolinones. Support for these claims may be found in the specification, for example, ¶¶ [0047] to [0049] and originally presented claim 11.

Applicants submit that no new matter has been added by these amendments.

CONCLUSION

Applicants do not believe that there are any fees associated with the filing of his amendment. In the event that in fact there are fees, the Assistant Commissioner is authorized to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 50-2859 referencing docket no. 10201-20006.01. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
